Our Story

If you fancy an interesting walk or you're looking for a unique gift, beard trim, fancy dress, some vinyl, or a decent pint, take a trip up to the Perth Road's 'West End Indies'.

One of Dundee's oldest and longest streets, the Perth Road connects Dundee's West End to the City Centre. The pleasant stroll will take you through a neighbourhood filled with history and character and is home to an eclectic mix of independent shops and great places to eat and drink.

The Perth Road's independents create a unique concentration of independent shops, hairdressers, barbers, restaurants, pubs and takeaways. Owned by locals, some of these businesses have been here for over a century and others are new ventures set up by entrepreneurial Dundonians keen to contribute to the vibrancy of the City.

You can discover the 'West End Indies' by taking a 15 minute walk from the City Centre, see map. This is a fantastic way to see the historic University of Dundee Campus, stunning views of the River Tay, unique public art installations and plenty more hidden gems along the way.
