DUNDEE 
ONE CITY, MANY DISCOVERIES

Welcome to Dundee, one of Scotland's most dynamic cities, where you are guaranteed a warm Scottish welcome, many places to eat and drink, great attractions and, because of Dundee's proximity to Fife, Angus and Perthshire, some breathtaking scenery. The city benefits from a central geographic location, and has an excellent road, rail and air network with daily flights to London Stansted.

www.dundee.com/visit

There is so much on offer - V&A Dundee opened in 2018 - It is the first ever dedicated design museum in Scotland and the only other V&A Museum anywhere in the world outside London. Among a host of other things Dundee proudly celebrates its seafaring heritage. RRS Discovery, which was built in the city, is the vessel sailed by Captain Robert Falcon Scott on his first voyage to Antarctica in 1901. Whilst at City Quay you will discover one of the oldest British built wooden frigates still afloat, HMS Unicorn.

Visit the award winning textile heritage centre, Verdant Works including the refurbished High Mill or The McManus: Dundee's Art Gallery and Museum, home to one of Scotland's most impressive collections of fine and decorative art. Visit Dundee's Museum of Transport and explore the city's West End, where the Dundee Repertory Theatre offers a wide range of genres and Dundee Contemporary Arts (DCA) housing two cinemas and contemporary art exhibitions. Behind the DCA you will find Dundee Science Centre.

Enjoy discovering Dundee city centre where the Overgate is the jewel in Dundee's retail crown. With its unique curved glass wall it is the only single sided mall in Europe. It is home to department stores and a host of well known high street names - truly a shopper's paradise.
